

An integrated business model

Italian Exhibitions

Fiera Milano organises proprietary exhibitions providing exhibition space and services directly to exhibitors; it also uses exhibition sites to host exhibitions for third parties

Congresses

Management of one of most modern convention centre in Europe and the only one capable of hosting up to 18,000 delegates

Hospitality

Assisting its customers travel arrangements through accommodation services, site location, flight tickets, Visa procedures, transfers, train tickets

Stand fitting services

Concept design & engineering, exhibitions & booths, including shell scheme area, lounges, public space and outdoor structures

Media

Online and offline content and publishing services, management courses, event organisation

Foreign Exhibitions

Outside domestic market, organiser of exhibitions in Brazil, South Africa and China

^{*} Data based on most recent exhibitions hosted prior to 30 June 2019

Exhibition portfolio

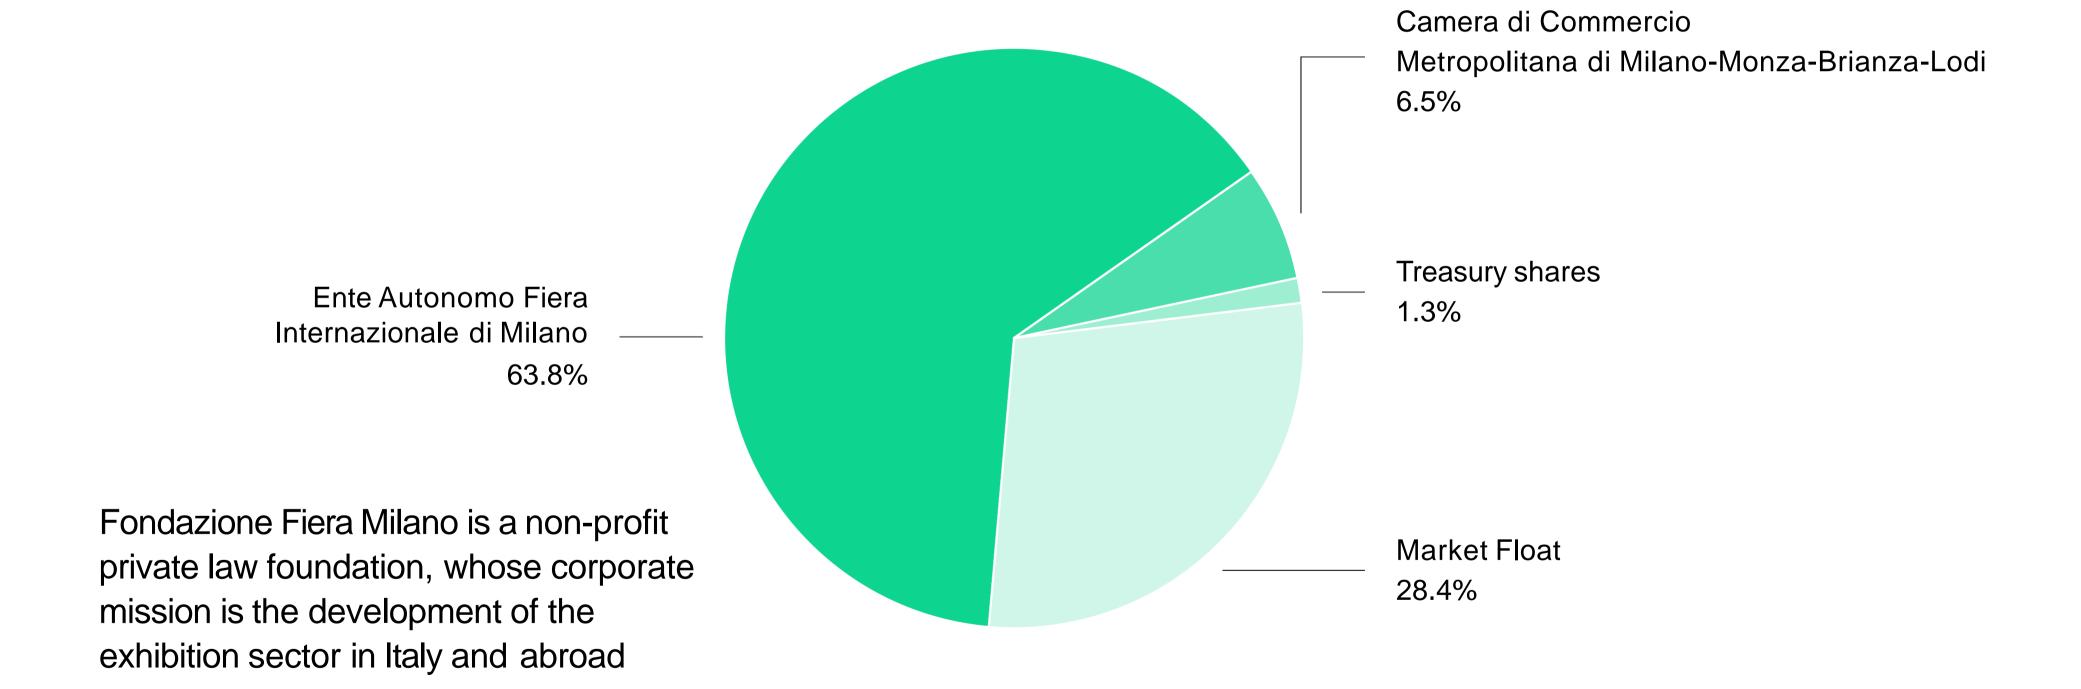

A well diversified PORTFOLIO OF EXHIBITIONS, almost entirely B2B

The Group is strong in **DYNAMIC MARKETS** (with sound growth expectations and where the "Made in Italy" label has appeal)

Shareholder structure

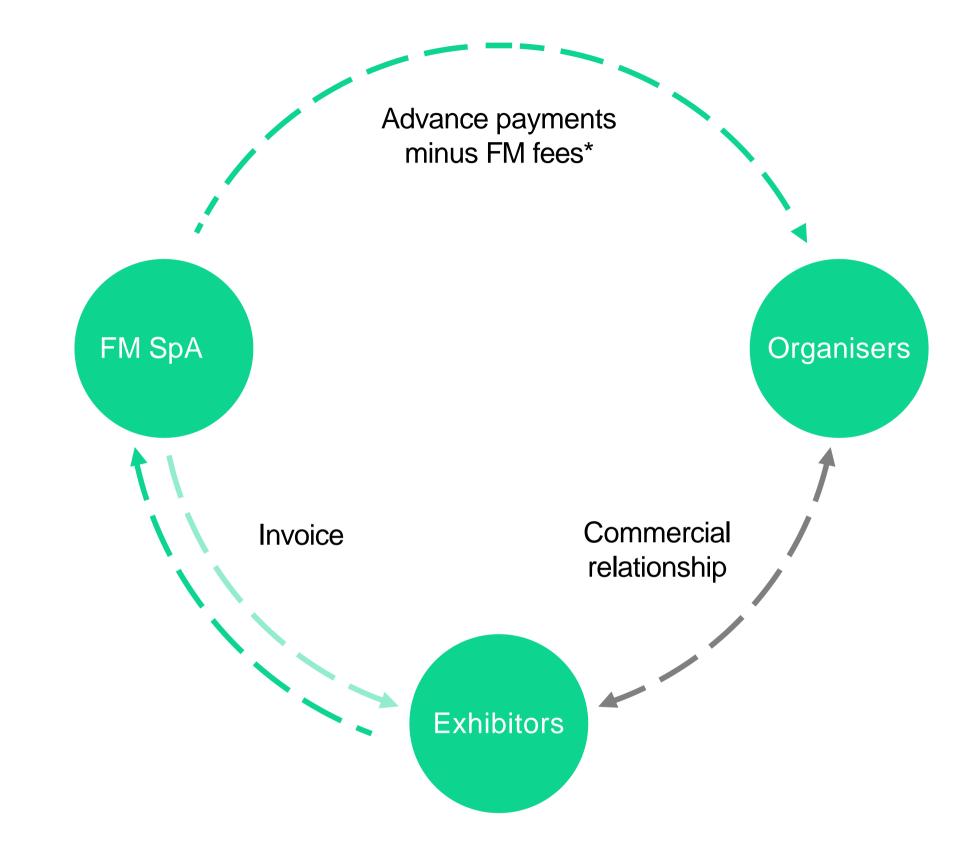

Long Term Visibility and Favourable Payment Cycle

High visibility on revenues due to long-term contracts with organisers

Main financial clauses in the contractual agreements with organisers:

- standard contract guarantee (minimum guaranteed)
- significant advance payments
- treasury management services on behalf of organisers

The Group has structural negative NWC

^{*} Advance payments (on average 6 months ahead for annual and 12 months ahead for biennial events)

A big impact in the Italian economy

of which in Lombardy

€ 8.1 billion

€ 4.3 billion

Total impact of Fiera Milano

Effect generated by Fiera Milano: € 6.6 billion

This is the effect associated to suppliers, investments, payments of salaries and the expenses of the exhibitors and the visitors/delegates associated with the exhibitions

Contribution to public budget: € 1.5 billion

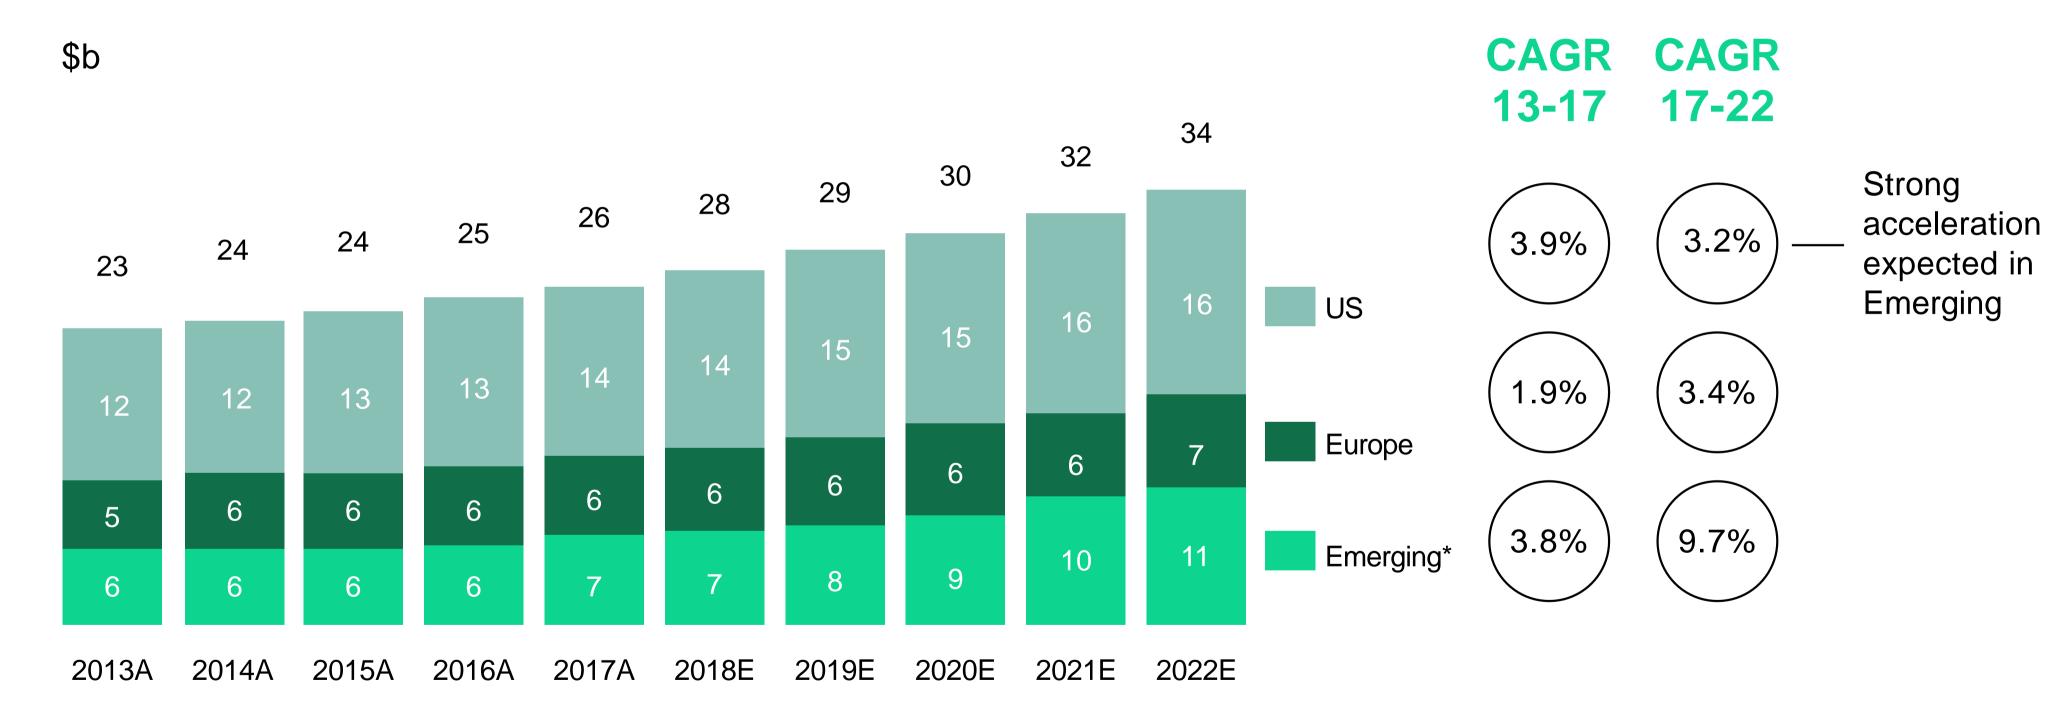

This is direct, indirect and induced contribution to the public budget through different taxes: VAT, Income tax, tax on profits and other taxes

2.1 Global exhibition market 2013-2022

Exhibition market expected to grow at 5% CAGR

^{*} Emerging include: Brazil, China, Gulf Cooperation Council, India, Indonesia, Mexico, Russia, Turkey, Hong Kong Note: Totals exclude SEA countries (Singapore, Malaysia, Thailand, Philippines, Vietnam, Macau) Source: AMR International Globex report 2018

Three emerging macro-trends in the exhibition market

Leadership in industry sector at regional level is a key success factor

- Exhibitors and visitors increasingly tend to attend only tier 1 exhibitions
- As a consequence, consolidation trend accelerating among key market players

Increased use of digital products to complete exhibition offer

- Driving customer understanding
- Only secondary source of revenue

Growing share of business for key players from events outside domestic market

 Leveraging on geo-cloning of successful domestic exhibitions

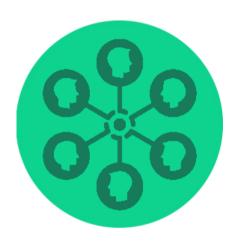

Three principles inspired definition of Strategic Plan

Maximize venue potential

Invest on core industry sectors

Build on human capital

Fiera Milano Group strategy

Enrich portfolio of hosted exhibitions & congresses

- Attract new leading/high potential exhibitions

Equity and net financial position	528.2	58.4

IFRS 16 impact

- As of 1 January 2019, the new IFRS 16 Leases accounting standard eliminates the distinction between operating leases and finance leases for a lessee
- As allowed by the standard, the comparative periods have not been restated (modified retrospective approach)

IMPACT ON INCOME STATEMENT 1H19 (€m)				
Cost of use of third-party assets	-24.2			
EBITDA	24.2			
Amortisation	20.2			
EBIT	4.0			
Financial income/(expenses)	-7.0			
Profit	-2.2			

Closing remarks

We have a strong leadership trust

 We have a clear definition of the ingredients for our success

We are ahead in the execution of our strategic plan

 We have completed the turnaround process, started our investments and are strengthening our portfolio of exhibitions

We will not be caged by our venue

 We'll seek most promising opportunities where they are

We take our social responsibility seriously

 We will actively ensure our business will have a sustainable impact

Forward-looking statement

This document has been prepared by Fiera Milano SpA solely for information purposes and for use in presentations of the Group. The information contained herein has not been independently verified. No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained herein.

None of the company, its affiliates, or its representatives shall have any liability whatsoever (in negligence or otherwise) for any loss howsoever arising from any use of this document or its contents or otherwise arising in connection with this document.

This document includes forward-looking statements. These forward-looking statements express current expectations and projections about future events, involve predictions and are subject to a number of factors that may influence the accuracy of the statements and the projections upon which the statements are based. Prospective investors are cautioned not to place undue reliance on these forward-looking statements because they involve known and unknown risks, uncertainties and other factors which are, in many cases, beyond our control. In light of these risks, uncertainties, and assumptions,

the forward-looking events discussed in this document might not occur and no assurance can be given that the anticipated results will be achieved. Actual events or results may differ materially as a results of risks and uncertainties facing Fiera Milano and its subsidiaries. Such risks and uncertainties include, but are not limited to increased competition and regulatory, legislative and judicial developments that could cause actual results to vary materially from future results indicated, expressed or implied in such forward-looking statements. Moreover, any statements regarding past trends or activities should not be taken as a representation that such trends or activities will continue in the future.

This document does not constitute an offer or invitation to purchase or subscribe for any shares and no part of it shall form the basis of or be relied upon in connection with any contract or commitment whatsoever.

The Manager responsible for preparing the company's financial reports, Marco Pacini, declares, pursuant to paragraph 2 of Article 154-bis of the Consolidated Law on Finance, that the accounting information contained in this document corresponds to the document results, books and accounting records.
